Welcome to LUDWIGSBURG

You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don't need a corset if they've got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Portrait

A Baroque town. A City of Culture. A fairy-tale town. The magnificent heart of the town is the Baroque Royal Palace – with its porcelain factory, which Duke Carl Eugen founded in 1758, the world famous „Blooming Baroque“ park and the magical fairy-tale garden for the little ones. No less charming are the palaces of Favorite and Monrepos. The Forum Ludwigsburg puts on international guest performances. In the baroque town centre, you'll find the dwellings and birthplaces of Ludwigsburg's famous poets and enjoy chances

to go shopping and dining. Lud-

Cultural|Youth Hostel

In Cultural|Hostels, children and young people have the opportunity to get to grips with various cultural topics in an experience-driven and contemporary way. The programmes offered allow as much creative freedom for all kinds of age-appropriate expression as possible. This includes the handling of multi-media technologies, video film as well as dance, music and theatre.

Enjoy your meal

The greater the variety, the more yummy it is. We are happy to satisfy individual guest wishes. According to prior agreement, we are prepared to adjust to vegetarian and religiously conditioned food and offer special meals for sportsmen and seminar attendees.

For day trips we are happy to provide you with a lunch package and a hot dinner in the evening. For reasons of environmental protection, we kindly ask you to bring an appropriate lunch box for the packed lunch.
