Welcome to MANNHEIM

You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don't need a corset if they've got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Portrait

Mannheim, the second largest city in Baden-Württemberg is located between Rhein and Neckar. Urban Flair and plenty of green: 1606, elector Friedrich IV. from Pfalz, installed the chessboard-like system which exists until today: the squares. Easily visible from far away is the water tower of Mannheim with a stately height of 60 meters. Here you find the biggest castle complex Germany's and a magnificent castle museum. A must-see for sports fans is the SAP-Arena. Cheer for the Mannheimer Adlers, the German ice hockey record champion.

Location & Directions

The hostel is located in the Lindenhof district, directly by the Rhine promenade.
